AES ADVANTAGE

ACADEMICS

At AES the process of learning is intended to impact all dimensions of a child's being : Aesthetic, moral, physical, social , emotional and cognitive. A balanced approach at all three critical stages of growth i.e. childhood, teenage and adulthood needs to be employed to meet the specific needs and to make the learning process a positive experience.

AES ADVANTAGE

SPORTS PROGRAM

The AES sports program is grounded in the ethos that participating in sports and activities provides students with valuable opportunities for character development, learning, and acquiring skills that prepare our student athletes for life.

AES ADVANTAGE

LIFE SKILLS

Life skills have been defined as "abilities for adaptive positive behaviour. that enable individuals to deal effectively with the demands and challenges of everyday life" (WHO. 1993). Life skills. from this perspective. are essentially those abilities which help to promote mental well-being and competence in young people as they face the realities of life.

AES ADVANTAGE

IMMERSION PROGRAM

Choral and instrumental music and dance programs in both western and classical stream expose the students to different styles and genres. The theatre and drama program foster the ability to appreciate the nuances of literature and human emotions through presentations and performances at school and inter school level.

AES ADVANTAGE

ASSOCIATIONS

Our global associations with American schools create pathways for students to learn the most contemporary research based future ready curriculum that equip them well with 21st century skills and for life after school. Our joint venture with Saddle river to promote global exchange of students and teachers.
